Wayne Carl, City of Galesburg, was our speaker. On February 6<sup>th</sup>(weather permitting), pile driving on the north end of the intersection will begin on the East Main St. Underpass. It will be done during work windows of BNSF. There will be 4 sets of piling flush to the ground close to the outside lanes and the center will keep flowing. There are cups for the pilings that are precise and set in 48 hours. It has to be welded to the pilings with lots of welders all working at the same time to minimize cost and the railroad's "down time". By the end of August, all the spans for the project are projected to be finished. There will be a "Welcome to the City of Galesburg" sign and it will be lighted. 34-35 feet of ground need to be cut out. The soil has to be processed and treated because of the location of a gas station in the past. It has been great cooperation for the city with BNSF & IDOT. We will have traffic moving through the intersection through March 1st. Allens Ave. will remain open as well as North St. to divert traffic around. The fall of 2018 is the projected date to finish. Highway 74 will be detoured to 34 and Henderson St. There will be 2 lift stations for storm water and a backup generator to work in a power outage. The State of Illinois has jurisdiction of Main St. The city has responsibility for the retaining walls, lights, and signage. He then informed us of all the other projects that are planned to improve our city!

### WIBA Board President's Letter

Dear WIBA Members,

Exciting things are happening! The 40<sup>th</sup> Annual WIBA Home Show will be here soon. Lots of new details and plans have been made to make this a huge success. We are filling up fast. Center Court is almost full.

We have TV stations doing interviews, stories, and putting us on their event calendars. We are going to have a live remote radio show at the 40<sup>th</sup> Annual WIBA Home Show on Saturday morning. We are getting our newspaper advertising ready. We are advertising with the Chamber of Commerce too.

We have special guest, Thrivent Financial, providing peace of mind with the child safety program. Parents will receive three IDs free. We are going to have activities for children. There will even be cotton candy and snocones there!

We have another special guest, Project Rebound showing people how they can purchase a home in our community. Be a part of the 40<sup>th</sup> celebration and say, "Goodbye to Sandburg Mall." and "Hello to progress!" Send your registration to Kaylee at the office soon so you can be a part of the biggest bash ever!

Sincerely,  
**Scott Howe,**  
WIBA Board President
