Questions

March WIBA Membership Meeting
Kate Bullis
KWB Paints on Main

Kate Bullis spoke about Paints on Main. Kate is from our area and is a very active member in our community since she moved back home to become the 4th generation of her family to own a business here. Jay Bullis, Bullis Sundberg Insurance Services, is her father. She purchased Olson's Paint Spot on November of 2017 from longtime WIBA Member, Dan Olson. Kate worked with Dan for 3 months before his retirement. She kept his longtime employee, Jim Spellman for an extra 6 months to aid in the transition. She has had product training courses and industry training. Paints on Main is a full-service interior & exterior paint, stain, and sundry supplier. Benjamin Moore is a franchise. They only sell to small local stores and support small business. They have been very supportive of Kate and her new business. She sells solely Benjamin Moore products, Sikkens Stain, Master Outside Stain, & Wooster, Oraline, SCUFF X, and paint for home, industrial, pool, and concrete. Kate has a Color Studio with a variety of lights. Color matching, site visits, certified color consultations are available. Project consultations on site are offered as well. Some delivery is available too if you are in a pinch. Kate maintains a preferred painter list to assist her customers in identifying a painter. She said if she doesn't have the answer to every question, she is dedicated to find the answer. Kate is focusing on building trust, making presentations, and reaching out to contractors. Paints on Main had a Grand Opening on March 2018. Kate invited us all to see her newly remodeled store.
