January 2021

Happy New Year!

The Welcome Center is being Remodeled. Work begins January 11th. It is projected to take 2 months to complete the project.

They are changing the front meeting room nearest East Main St. into more of a conference room by building a wall between the office and the meeting room and also installing double doors to the new conference room.

They are blacking out the WIBA office windows so that they cannot see into the office.

They are walling in their open office.

They are building new ADA compliant restrooms.

They are installing new light fixtures and they will replace the ones in the WIBA office also.

They are repainting all the inside of the Welcome Center apart from the WIBA office.

Life is unpredictable,
It changes with the seasons,
Happens for the best of reasons,
And though it feels eternal,
Like all you'll ever do is freeze,
I promise Spring is coming,
And with it, brand new leaves.

Erin Hanson

Thank you for the Scholarship

Thank you for making this scholarship available to me. This scholarship is going to be extremely helpful advancing into my future of being a registered nurse. I am currently going into my second year of nursing and this money will help me navigate any hardship.

I am currently unemployed due to the COVID-19 Pandemic, but since then I have been able to concentrate on my schooling. I am a twenty eight year old married man trying to advance in my career.

I chose the nursing program because I have always had a love for helping people. I truly care about my health and the health of people around me. I know nursing is going to be able to give me the fulfillment that I have been looking for in my life. I once volunteered at a program called, "Almost Home Kids", this program made me love helping children with chronic disabilities. There is such a passion to see a smile on a child's face and know that you are making a difference. Once I graduate, I plan on going directly into my career and studying for my Bachelors of Science in Nursing. I hope to be involved in pediatrics, but the field of studies are practically limitless.

Again, thank you for making my education possible. This funding really makes the most of this scholarship that have been given to me. It s a life goal to be able to give back to Carl Sandburg College and other education programs.

Sincerely,
Kevin Caba

Thank you for the Scholarship

My name is Adam Wagner and I would like to thank you for awarding me with the Brad Johnson Memorial Scholarship, It is greatly appreciated and it will be put to good use.

I am hoping that I will someday become a police officer and be able to benefit our community with this degree that you all are helping me earn by awarding me this money.

What you guys do is a great thing for all of us college students that may struggle to pay for our schooling. Again I would like to thank you for the scholarship and it is greatly appreciated,. Your investment will be put to good use.

Respectively,
Adam Wagner
